

# **MARINE POLLUTION AND EFFLUENT MANAGEMENT**

Selected Proceedings of the 3rd Middle East Conference on Marine Pollution And Effluent  
Management, held in Kuwait, 23-25 November 1998

*Editors*

**S AL-MUZAINI, M F HAMODA, M HENZE**

\* Kuwait Institute for Scientific Research, PO Box 24885, 13109 Safat, Kuwait

\*\* Civil Engineering Department, Kuwait University, PO Box 5969, 13060 Safat, Kuwait

\*\*\* Environmental Engineering Department, Technical University of Denmark, DK-2800  
Lyngby, Denmark

# CONTENTS

## Foreword

S. AL-MUZAINI and A. A. GHOSN: Fate of conventional/priority organic pollutants associated with wastewater reuse in soil irrigation in Kuwait	1
S. AL-MUZAINI, M. BEG, K. MUSLAMANI and M. AL-MUTAIRI: The quality of marine water around a sewage outfall	11
F. A. EL-GOHARY, F. A. NASR and H. I. ALY: Cost-effective pre-treatment of food-processing industrial wastewater	17
S. A. AIBAN, A. M. ISHAQ and M. S. AL-SUWAIYAN: Utilization of local material in the construction of an embankment for recharging groundwater aquifer with treated wastewater effluents	25
J. A. SHATTI and T. H. A. ABDULLAH: Marine pollution due to wastewater discharge in Kuwait	33
I. I. ESEN and Y. AL-SHAYJI: Estimation of dispersion number in waste stabilization ponds	41
Y. R. MARMOUSH: Environmental management of coastal development, State of Kuwait	47
M. F. HAMODA, I. A. AL-GHUSAIN and A. H. HASSAN: Integrated wastewater treatment plant performance evaluation using artificial neural networks	55
S. R. EL-HASANI, S. M. AL-DHAHERI, M. S. EL-MAAZAWI and M. M. KAMAL: Polarographic and voltammetric determination of some toxic heavy metal ions in the treated wastewater at Abu-Dhabi, U.A.E.	67
A. N. AL-GHADBAN, T. SAEED, A. M. AL-DOUSARI, H. AL-SHEMMARI and M. AL-MUTAIRI: Preliminary assessment of the impact of draining of Iraqi marshes on Kuwait's northern marine environment: Part I: physical manipulation	75
T. SAEED, A. N. AL-GHADBAN, H. AL-SHEMMARI, M. AL-MUTAIRI and H. AL-HASHASH: Preliminary assessment of the impact of draining of Iraqi marshes on Kuwait's northern marine environment: Part II: sediment associated pollutants	89
T. SAEED, H. KHORDAGUI and A. AL-BLOUSHI: Distribution of volatile liquid hydrocarbons in the vicinity of power/desalination plants in Kuwait	99
M. H. ANSARI, A. M. DESHKAR, P. S. KELKAR, D. M. DHARMADHIKARI, M. Z. HASAN and R. PARAMASIVAM: Mercury removal from wastewater by steamed hoof powder	109
G. H. ALI: Phytoplankton activities in hypersaline, anoxic conditions: I: dynamics of phytoplankton succession in the Solar Lake (Taba, Egypt)	117
E. F. SHABANA and G. H. ALI: Phytoplankton activities in hypersaline, anoxic conditions: II: photosynthetic activity of some sulphide adapted cyanobacterial strains isolated from Solar Lake, Taba, Egypt	127
M. M. NASSAR: Intraparticle diffusion of basic red and basic yellow dyes on palm fruit bunch	133
A. M. SALEH and M. F. HAMODA: Upgrading of secondary clarifiers by inclined plate settlers	141
U. S. BAGDE and A. K. RANGARI: Periodicity of coliform bacteria in an aquatic environment	151

M. N. VISWANATHAN, M. N. AL SENAFY, T. RASHID, E. AL-AWADI and K. AL-FAHAD: Improvement of tertiary wastewater quality by soil aquifer treatment	159
A. M. SHABAN: Bacteriological evaluation of composting systems in sludge treatment	165
J. B. VAN LIER and G. LETTINGA: Appropriate technologies for effective management of industrial and domestic waste waters: the decentralised approach	171
Keyword index	185
