

**Sector wide approaches for water
and sanitation development**

III	Preface
VI	Table of contents
VII	Acknowledgements
VII	Abbreviations and Acronyms
VII	Executive summary

2 Introduction

4 Section 1 Sector wide approaches

5	Introduction
5	Sector wide approaches - background and attributes
9	Experience with SWAp
12	Lessons from the application of SWAp
13	Towards SWAp for the WSS sector
15	Conclusions
16	References

18 Section 2: Summary of the discussion on SWAp in the water supply and sanitation sector

19	Complexity of the sector
19	Progress towards implementing SWAp in the WSS sector
20	Ownership of SWAp
20	Parallel funding of innovative approaches
20	Monitoring of SWAp performance
20	Under-performing SWAp
21	Capacity building and human resources development
21	Role of Sector Specialists

22 Section 3 - Country papers

23	Country paper Mozambique
35	Country paper Tanzania
45	Country paper Egypt
53	Country paper South Africa
61	Country paper Yemen
71	Country paper Bangladesh
78	Country paper on the state of Gujarat in India
88	Background to Netherlands development assistance to Gujarat

96 Appendix 1:

Background paper - Sector trends in the Water and Sanitation Sector
