

Proceedings of the 23rd WEDC Conference

Durban, South Africa 1-5 September 1997

Water and Sanitation for All

Partnerships and Innovations

Edited by John Pickford,
Peter Barker, Bob Elson, Margaret Ince, Paul Larcher, Derek Miles,
Jeremy Parr, Bob Reed, Kevin Sansom, Darren Saywell, Mike Smith and Ian Smout

Papers produced by Karen Betts

Supporters of the 23rd WEDC Conference included Department for International Development (UK), UNICEF, FAKT (Germany), Umgeni Water, the Department of Water Affairs and Forestry, Mvula Trust, Durban Metro Water and Waste, South African Association of Consulting Engineers, SA Institution of Civil Engineers: Division of Water Engineering, Water Institute of Southern Africa and KwaZulu Natal, Department of Health and University of Natal.

CONTENTS

SOUTH AFRICAN PARTICIPANTS	xi
OVERSEAS PARTICIPANTS	xiii
INTRODUCTORY ADDRESS: PROFESSOR JOHN PICKFORD	xvi
WELCOME ADDRESS: IAN SMOUT	xviii
KEYNOTE ADDRESS: MIKE MULLER	xix
PLENARY SESSIONS	
T.L. Ramaema <i>South Africa</i> Public/private partnership	3
Rupert Talbot <i>India</i> Goals, roles and innovations in India	11
A PARTNERSHIP	
A.B.M. Ashrafal Alam and Mohibbur Rahman <i>Bangladesh</i> Public NGO partnership for municipal services	19
Getachew Alem <i>Ethiopia</i> WATSAN projects: NGO's experience in Ethiopia	23
Andrew Chalinder and Ms Tlamelo M Kedikikwe <i>Botswana</i> New challenges and innovative partnerships	26
Evens Emmanuel and Claude Beauboeuf <i>Haiti</i> Cooperative management of RWSS in Haiti	29
Ben Fawcett <i>UK</i> Partnership in integrated environmental health	32
Kwame Frempah-Yeboah <i>Ghana</i> Partnerships with partner organizations in Ghana	35
Philip Ravenscroft and Julia Cain <i>South Africa</i> Sustainability in operation and maintenance	37
Lesley Steele <i>South Africa</i> Balancing delivery and participation	41
Michael Wood <i>UK</i> Partnership changes in rural water supply	43
Summary of discussion: Group A	46
B SANITATION	
Joseph Bogrebon Allan <i>Ghana</i> Household demand for improved sanitation	49
S. Banister et al <i>South Africa</i> Evaluation of composting latrines	53
Edward D. Breslin, Carlos Madrid and Anderson Mkhize <i>South Africa</i> Contributions to sanitation in KwaZulu/Natal	56
M. Chidavaenzi, M. Jere and M. Bradley <i>Zimbabwe</i> Pit latrine effluent infiltration into groundwater	59

U. Heinss, M. Strauss and S.A. Larmie <i>Switzerland</i> Tons of excreta and ways to treat them	63
Guy Howard <i>UK</i> Strategic approaches to urban sanitation	68
P.O. Monteiro and V. Macamo <i>Mozambique</i> Low cost sanitation programme in Mozambique	72
Makhosi Mpapa <i>South Africa</i> The need for creating sanitation awareness	74
Fadil Othman, Mohd Razman Salim and Rahmalan Ahmad <i>Malaysia</i> Landfill leachate treatment using copas	76
P.N. Ravindra <i>India</i> Innovative low cost activated sludge process	78
W.N. Rogers <i>South Africa</i> Desludging services in Ivory Park	82
L.Y. Salifu <i>Ghana</i> Sewerage maintenance management in Ghana	84
Sk. Abu Jafar Shamsuddin <i>Bangladesh</i> Sanitation promotion through mobile centres	88
David Still and Richard Holden <i>South Africa</i> Towards sustainable sanitation in South Africa	91
<i>Summary of discussion: Group B</i>	95
 C COMMUNITY MANAGEMENT	
A.D. Kirkwood <i>Angola</i> Standpipe maintenance in Luanda, Angola	101
Festus Kwame Kwadzokpo <i>Ghana</i> Community-based O&M challenges	104
Seetella N. Makhetha <i>South Africa</i> Community involvement – Ga-Motlatla village	108
Siphokazi Mpahla and Andrew MacDonell <i>South Africa</i> Community decisions on Mvula Trust projects	111
Loveness Mpanje and Mrs Linda Milazi <i>Malawi</i> Community management of rural water supply	115
Isaack Ongera Oenga <i>Kenya</i> Understanding community management of water	117
Md. Mujibur Rahman and Hasin Jahan <i>Bangladesh</i> Water and sanitation issues of Bangladesh	120
Ms Thoko Sigwaza <i>South Africa</i> Community participation in Qadi-Nyuswa project	124
Anton Simanowitz <i>South Africa</i> Community participation/community-driven	128
Graham Simpson <i>South Africa</i> Strategy for community water supplies	132
Warren Smit and Norah Walker <i>South Africa</i> Community involvement in local area maintenance	135
<i>Summary of discussion: Group C</i>	139

D WATER QUALITY AND TREATMENT

R.S. Al-Khalili, J.P. Sutherland and G.K. Folkard <i>UK</i> Filtration with a natural coagulant	143
R.J. Bowell et al <i>UK</i> Improving water quality assessment and supply	146
V. Chipofya and G. McConnachie et al <i>Malawi</i> Odour testing using moringa carbon	150
Ashok Gadgil et al <i>USA</i> Field-testing UV disinfection of drinking water	153
Gumbo Bekithemba <i>Zimbabwe</i> Integrated water quality management in Harare	157
G.S. Mackintosh, J. Engel and H. de Villiers <i>South Africa</i> Small scale unit for groundwater treatment	161
K.S. Makhanu <i>Kenya</i> Impact of water hyacinth on Lake Victoria	165
N. Muhammad, J. Parr, M.D. Smith and A.D. Wheatley <i>WEDC</i> Removal of heavy metals by slow sand filtration	167
J.P. Padmasiri and N.I. Wickremasinghe <i>Sri Lanka</i> Participatory role in rural water treatment	171
J. Pillai, R. Gibbs, K. Mathew and G.E. Ho <i>Australia</i> Bacteriological water testing by H ₂ S method	174
M.H. Rahman, R. Mamtaz and S.A. Ferdousi <i>Bangladesh</i> Pilot solar desalination plants in Bangladesh	178
A. Raoueche and B.J. Bailey <i>UK</i> Performance aspects of a seawater greenhouse	182
Dr Robert H. Reed <i>UK</i> Innovations in solar water treatment	184
Hielke Wolters and Godfrey Mwiinga <i>Zambia</i> Potentials of roughing filtration in Zambia	186
<i>Summary of discussion: Group D</i>	191

E SOLID WASTE MANAGEMENT

Dr Anisa B. Khan <i>India</i> Solid waste — its ecoepidemiological impact	195
P.B. Majura <i>Zambia</i> Refuse management problems in Lusaka, Zambia	198
J.H. van der Merwe and I. Steyl <i>South Africa</i> Rural solid waste in the Western Cape	201
Esha Shah <i>India</i> Occupational health impact of plastic recycling	204
Mariëlle Snel <i>The Netherlands</i> Formal and informal swm in Hyderabad (India)	208
Sy Dang Thi, Michael R. Digrigorio and Binh Nguyen Thanh <i>Vietnam</i> Hospital waste in Hanoi	212
<i>Summary of discussion: Group E</i>	216

F FINANCE AND MANAGEMENT

David A'Bear and Don Crawford <i>South Africa</i> The flip-cheque financial control system	219
Peter Barker <i>WEDC</i> Cost-based water prices	222
N.R. Davis, A.M. Ross <i>South Africa</i> Techniques in improving project sustainability	226
L. Duncker <i>South Africa</i> The question of sustainability	230
Derek G. Hazelton <i>South Africa</i> New and unconventional cost recovery techniques	232
Carole Jones <i>South Africa</i> Capacity vs action	236
J.A. van der Linde <i>South Africa</i> Hermanus water conservation programme	238
Devyani Mani, Takashi Onishi and Tetsuo Kidokoro <i>Japan</i> Estimating willingness to pay for WATSAN	242
S.J. Marais <i>South Africa</i> Geohydrological approach for intergrated planning	246
Hassan Mohammed and Nasser Yakubu <i>Nigeria</i> Towards affordable water supply	248
A.I. Rugumayo <i>Uganda</i> NURP water and sanitation component	251
<i>Summary of discussion: Group F</i>	255
G WATER SUPPLY	
Dr Anand Narain Asthana <i>India</i> Household choice of water supply systems	259
R.R. Bannerman <i>Ghana</i> Failure of conjunctive water use	263
Joseph Samu Bockarie <i>Botswana</i> Development, operation and maintenance of RWS	266
A.B. Broughton and S.R. Nash <i>South Africa</i> Ferrocement reservoirs: how appropriate?	270
M.J. Clanahan <i>South Africa</i> Sand abstraction systems	273
C.V. Deshpande and H.K. Hingorani <i>India</i> Rejuvenation of SSF using HRF technique	277
Richard Faulkner and Antony Lenehan <i>Australia</i> Options for rural water supply	280
S.W. Hussey <i>Zimbabwe</i> Small-scale 'sand abstraction' systems	283
W.K. Kennedy <i>UK</i> Malawi water developments: A systems approach	286
N.A. Macleod <i>South Africa</i> The Durban water tank system	289
Fati Mumuni <i>Ghana</i> Rural water supply in Asunafo District	291

P.G. Nembrini , M. Serafino, P.Y. Monnard and R.G. Conti <i>Switzerland</i>	293
Rehabilitation of alternative water supply systems	
H.O. Onok and S.M. Kayaga <i>Uganda</i>	297
Water utilities research: NWSC, Uganda	
S. Surendran, S.V. Senarathne and M.D. Smith <i>WEDC</i>	301
Study of water usage in rural areas	
A.P. Vosloo and A.M.M. Ngwabi <i>South Africa</i>	306
Cost effective designs for rural water schemes	
<i>Summary of discussion: Group G</i>	309
H HYGIENE, HEALTH AND GENDER	
Nancy Cosway and Margaret Issaka <i>Ghana</i>	313
Women and water supply — a partnership	
Hening Darpito <i>Indonesia</i>	316
Sanitation, hygienic attitude and poverty	
Florence Durandin, Afroza Ahmed and Sharifuzzaman <i>Bangladesh</i>	319
Hygiene behaviour change program in Bangladesh	
Q. Espey et al <i>South Africa</i>	322
National epidemic diarrhoea task team initiative	
Audrey Lubisi <i>South Africa</i>	325
Women's participation in water projects	
Diana E. Makule <i>Tanzania</i>	328
Water and sanitation — gender perspective	
Mrs Lindi Ngcobo and Mrs N.V. Sikhakhane <i>South Africa</i>	331
Women managing the water supply project	
Bilkisu Omar Odekina <i>Nigeria</i>	333
Integrated rural development: Women involvement	
Solomon Panford <i>Ghana</i>	336
Message design for hygiene education	
Robert E. Quick et al <i>USA</i>	340
A new strategy for waterborne disease prevention	
Betty Yankson, F. Mawuena Dotse and Nii Odai Laryea <i>Ghana</i>	343
Integrating gender issues into water programmes	
Ntombentle Zungula <i>South Africa</i>	346
Gender in rural water projects	
<i>Summary of discussion: Group H</i>	348
I INSTITUTIONAL DEVELOPMENT	
Julia Cain and Cindy Illing <i>South Africa</i>	353
Laying foundations for involving local government	
Mrs V. Jansen and A. Austin <i>South Africa</i>	358
Educational tools for infrastructural development	
N.A. MacDougall and F.N. Mwaura <i>Kenya</i>	362
Commercializing local government water departments	
Nathi Mncwabe and Aubrey Mokoatsi <i>South Africa</i>	365
Rural local government in Kwazulu-Natal	
Baby Mogane-Ramahotswa and Bonile Jack <i>South Africa</i>	368
Development facilitation for potable water	

Kevin Sansom and Dr Richard Franceys	WEDC	370
Private sector participation in WATSAN services		
Phillip Walker	South Africa	374
Establishing rural water management		
<i>Summary of discussion: Group I</i>		
J WATER RESOURCES		
C. Chibi, K. Jeenes, A. Lubisi and D. Nyati	South Africa	381
Accepted water resource management practices		
Celia Kirby	UK	384
Shallow aquifer water quality risks		
Antony Lenehan and James Martin	South Africa	388
Spring protection in Southern KwaZulu Natal		
Euan Nichol	Australia	390
West Timor rural water supply – ten years on		
Erik Nissen-Petersen	Kenya	394
Water from sand-rivers		
Sharon Pollard and Anton Simanowitz	South Africa	397
Environmental flow requirements: A social dimension		
Chris Print	Somaliland	401
Subsurface dam for a pastoral environment		
R.M. Stear, J. Parr and M.D. Smith	WEDC	404
Decreasing freshwater demand: dual supplies		
<i>Summary of discussion: Group I</i>		
X MISCELLANEOUS		
Claire Emberson	UK	411
Reconstruction in Sierra Leone		
S.W. Gillham	South Africa	415
Drought relief in rural KwaZulu-Natal		
Toby Gould	Rwanda	418
Return of refugees – emergency or development		
Paul Larcher	WEDC	422
Emergency water supplies for transient populations		
Derek Miles	WEDC	426
Appropriate infrastructure: No choice but change		
Johann Zimmermann	Mozambique	430
Postwar village hydro-power rehabilitation		
<i>Summary of discussion: Group X</i>		

Water, Engineering and Development Centre

Institute of Development Engineering

Loughborough University

Leicestershire LE11 3TU UK

The Water, Engineering and Development Centre (WEDC)
is concerned with education, training, research and consultancy
for the planning, provision and management of physical infrastructure
for development in low- and middle-income countries.

Local Organising Committee

Mr Adrian Wilson (Chairman), Mr Veeran Chetty, Mr Rob Dyer, Ginny Eslick (Conference Organiser),
Mr Steve Gillham, Mr Heinz Haesloop, Mr Patrick Nhlapo, Mr James Perkins, Mr Frank Stevens.
