

Research Report 20

Indicators for Comparing Performance of Irrigated Agricultural Systems

*David J. Molden, R. Sakthivadivel, Christopher J. Perry
and Charlotte de Fraiture*

International Water Management Institute
P O Box 2075, Colombo, Sri Lanka

Contents

Summary	v
Introduction	1
Performance Indicators for Comparison	1
Features of the Selected Indicators	3
The Indicators	4
Application	8
Temporal and Spatial Variation of Indicators within a Project	15
Limitations of the Indicators	16
Interpretation of Results	18
Discussion	19
Annex 1. Data Requirements to Calculate Performance Indicators	20
Annex 2. Calculation Example of Performance Indicators	21
Annex 3. World Market Prices of Agricultural Products in Constant 1995 Dollars	25
Literature Cited	26
